FACE OF MERCY is an initiative of the Catholic Diocese of Ikot Ekpene, sponsored by the MARVELS OF THE LORD CHOIR, NTO EDINO. Every Friday, we float a sponsored Radio Program for 15 minutes on the State Radio FM 90.5. It broadcasts Catechesis on the theme of Mercy with particular emphasis on explaining the import of the celebration of the Jubilee and how Christians are called to be signs of God's Mercy. Every presentation is spiced with relevant melodies of mercy. Anchored by different Priests of the diocese selected by the Bishop, every edition ends with the Bishop's Blessings for the people. It has been very well received by Catholics and non-Catholics. It has really given meaning to the celebration of the Jubilee of mercy in the region.
